ARCHITECTURAL BOARD OF REVIEW SUBMITTAL CHECKLIST (See ABR Guidelines & Design Review Submittal Requirements for Details)		
CONCEPT REVIEW	Required	Master Application & Submittal Fee - (Location: 630 Garden Street)  Photographs - of the existing building (if any), adjacent structures, composite panoramic view of the site, surrounding areas & neighborhood streetscape - mounted or folded to no larger than an 8.5" x 14" photo display board.  Plans - three sets of folded plans are required at the time of submittal & each time plans are revised.  Vicinity Map and Project Tabulations - (Include on first drawing)  Site Plan - drawn to scale showing the property boundaries, existing & proposed structures, building & area square footages, building height, areas to be demolished, parking, site topography, conceptual grading & retaining walls, & existing landscaping. Include footprints of adjacent structures.  Exterior elevations - showing existing & proposed grading where applicable.
	Suggested	Site Sections - showing the relationship of the proposed building & grading where applicable.  Plans - floor, roof, etc.  Rough sketches are encouraged early in the process for initial design review to avoid pursuing incompatible proposals. However, more complete & thorough information is recommended to facilitate an efficient review of the project.
PRELIMINARY REVIEW	Required	Same as above with the following additions:  Plans - floor, roof, etc.  Site Sections - showing the relationship of the proposed building & grading where applicable.  Preliminary Landscape Plans - required for commercial & multi-family; single-family projects where grading occurs. Preliminary planting plan with proposed trees & shrubs & plant list with names. Plans to include street parkway strips.
	Suggested	Color & Material Samples - to be mounted on a board no larger than 8.5" x 14" & detailed on all sets of plans.  Exterior Details - windows, doors, eaves, railings, chimney caps, flashing, etc.  Materials submitted for preliminary approval form the basis for working drawings & must be complete & accurate.
FINAL & CONSENT	Required	Same as above with the following additions:  Color & Material Samples - to be mounted on a board no larger than 8.5" x 14" and detailed on all sets of plans.  Cut Sheets - exterior light fixtures and accessories where applicable.  Exterior Details - windows, doors, eaves, railings, chimney caps, flashing, etc.  Final Landscape Plans - landscape construction documents including planting & irrigation plan.  Consultant/Engineer Plans - electrical, mechanical, structural, & plumbing where applicable.

- \*\* All approvals made by the Architectural Board of Review (ABR) are based on compliance with Municipal Code Chapter 22.68 and with adopted ABR guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.
- \*\* The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes.
- \*\* The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones on item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following ABR agenda. In order to reschedule the item for review, the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) and submit appropriate plans.
- \*\* The Board may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Substitution of plans is not allowed, if revised plans differing from the submittal sets are brought to the meeting, motions for preliminary or final approval will be contingent upon staff review for code compliance.
- \*\* Preliminary and Final Architectural Board of Review approval is valid for one year from the date of the approval unless a time extension or Building Permit has been granted.
- \*\* The Board may refer items to the Consent Calendar for Preliminary and Final Architectural Board of Review approval.
- \*\* In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Planning Division at (805) 564-5470. Notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements.
- \*\* Many of the items before the Board may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Said appeal must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the meeting at which the Board took action or rendered its decision. The scope of this project may be modified under further review.
- \*\* AGENDAS, MINUTES and REPORTS: Copies of all documents relating to agenda items are available for review at 630 Garden St. in the City Clerk's office, at the Central Library, and www.SantaBarbaraCa.gov If you have any questions or wish to review the plans, please contact David Sullivan, at (805) 564-5470 between the hours of 8:30 a.m. to noon and 1:00 p.m. to 4:00 p.m., Monday through Friday.

## LICENSING ADVISORY:

The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. Applicants are encouraged to consult with Land Use Controls or Planning Staff to verify requirements for their specific projects.

Unlicensed persons are limited to the preparation of plans for:

- Single or multiple family dwellings not to exceed four (4) units per lot, of wood frame construction, and not more than two stories and basement in height;
- Non-structural changes to storefronts; and,
- Landscaping for single-family dwellings, or projects consisting solely of landscaping of not more than 5,000 square feet.

# **NOTICE:**

- 1. That on March 31, 2005 at 4:00 p.m., this Agenda was duly posted on the Community Development bulletin board, in the office of the City Clerk, and on the bulletin board on the outside of City Hall.
- 2. This regular meeting of the Architectural Board of Review will be broadcast live and rebroadcast in its entirety on Wednesday at 9:00 a.m. on Channel 18.

#### **GENERAL BUSINESS:**

#### A. Public Comment:

Any member of the public may address the Architectural Board of Review for up to two minutes on any subject within their jurisdiction that is not scheduled for a public discussion before the Board on that day. The total time for this item is ten minutes. (Public comment for items scheduled on today's agenda will be taken at the time the item is heard.)

No public comment.

Action: LeCron/Bartlett, 5/0/0.

- 2. Mr. Sullivan also announced that Derrik Eichelberger, Stephanie Christoff and Christopher Manson-Hing would be absent from tonight's meeting.
- 3. Bruce Bartlett stated he would be stepping down for Items 7 and 9.
- 4. Chair Pierron requested site visits which are stated in the Agenda to be highlighted in bold and to include a map with directions to the site for the Board members.

## E. Subcommittee Reports.

Bruce Bartlett stated that he attended the Advisory Group workshop last week regarding the Mayor's State of the City Address, wherein various topics were discussed, including health of the City. Steve Wiley, City Attorney, also presented an overview of the Brown Act. Mr. Bartlett attended the Neighborhood Preservation Ordinance Subcommittee meeting and there was a discussion pertaining to FAR's, which will be presented at an open meeting to the public scheduled for Saturday, April 16, 2005.

F. Possible Ordinance Violations.

No possible violations.

# **CONCEPT REVIEW - NEW ITEM**

#### 1. **500 W CARRILLO**

Assessor's Parcel Number: 039-261-RW Application Number: MST2005-00193

Owner: California Department of Transportation

Applicant: Yvonne Hoffman Architect: Wendy Ohalloran

(Proposal to improve operations at the Carrillo interchange by changing the signal phasing to allow for simultaneous left and right hand turns onto the northbound on-ramp, widening the on-ramp to two lanes, and installing ramp meter equipment to regulate traffic onto the freeway. A retaining wall would be constructed between the on-ramp and the Mission Creek flood control channel to accommodate the additional on-ramp lane. The wall would be set back 10 to 15 feet from the channel, at its closest point.)

## (COMMENTS ONLY; THIS IS A COURTESY REVIEW.)

(3:23)

Peter New, Landscape Architect, Cal-Trans; and Rob Dayton, Supervising Transportation Planner; present.

This is a courtesy review with comments only:

1) The Board understands the need to widen the northbound on-ramp; however, the Carrillo intersection is seen as a "Gateway experience" to Santa Barbara. The current proposal is diminishing in the quality of that experience with the loss of significant trees. 2) The Board has suggested re-enhancing the landscape quality by finding opportunities to mitigate and reintroduce large scale trees on the east side of Mission Creek and at the southerly corner of intersection. 3) The Board is concerned with the section of retaining wall as seen from the east side, which is the tallest section. This area has the least amount of landscape and more trees should be added. 4) The Board understands the sensibility of the wall being a retaining wall, yet the architecture should include buttress elements, sandstone finish, canted walls or other retaining wall elements commonly found in Santa Barbara. 5) Large scale box trees should be included at the corner of Carrillo at the northbound ramp. 6) The Board does not find the proposed wall relief in Option B as presented by Cal-Trans the solution. 7) Provide additional photos of the project site as seen from the City parking. 8) Landscaping alternatives to the ficus repens would include tall upright landscaping such as cape honeysuckle or lavender starflower.

Action: Bartlett/LeCron, 5/0/0.

# **IN-PROGRESS REVIEW**

2. **2109** CLIFF DR E-3/SD-3 Zone

Assessor's Parcel Number: 045-083-007 Application Number: MST2002-00434

Owner: Cliff Drive, LLC Designer: Peter Haddad

(Proposal to rezone a 15,228 square foot lot from E-3 to R-2; remove the existing 1,100 square foot, single-family residence and non-conforming garage; and construct multiple residential units. The project includes construction of five two story residential units with attached garages. The project consists of two approximately 2,400 square foot market rate units and three 1,300 square foot affordable middle income units. Modifications are requested to encroach into the required front yard setback, construct a six foot tall wall within the front yard setback, reduce the required open space and for bonus density. Review of the apparent massing and architectural detailing is requested.)

(PROJECT REQUIRES COMPLIANCE WITH PLANNING COMMISSION RESOLUTION NO. 044-04, CALIFORNIA COASTAL COMMISSION CERTIFICATION OF THE COASTAL PLAN AMENDMENT AND ZONING MAP AMENDMENT.)

(4:02)

Rick Jeffrey, Owner; and Carol Gross, Landscape Architect; present.

Motion: Continued two weeks with the following comments: 1) Return with a landscape plan.

2) Prior comments regarding landscape, fencing, and vegetation in front of the retaining wall will be reviewed with the landscape plan. 3) Provide a composite elevation as seen from Cliff Drive to include fencing and landscaping. 4) Provide a grading plan and additional information on site sections. 5) Simplify and reduce the amount of materials

on the exterior elevations.

Action: LeCron/Bartlett, 5/0/0.

3. **302 MEIGS RD** C-P/R-2/SD-3 Zone

Assessor's Parcel Number: 045-013-005 Application Number: MST2005-00168

Owner: Jeffrey B. Panosian Architect: Toyo Okamoto Agent: Michelle Jackson

(Proposal to construct an open, canvas roof structure for an "open-air/outdoor" flower sales. The project includes relocation of existing decorative light poles. Roll down open metal security gates is also proposed to secure the outdoor area.)

Motion: Continued indefinitely at the applicant's request.

Action: LeCron/Bartlett, 5/0/0.

4. **1009 DEL SOL AVE** R-2/SD-3 Zone

Assessor's Parcel Number: 045-074-001 Application Number: MST2005-00132

Owner: Shawn K. Dirksen Architect: Karl Eberhard

(Proposal to demolish an existing 1,650 square foot residence and associated site improvements to construct a three-story, two unit condominium on a 6,000 square foot lot. The first unit will be 1,815 square feet and the second unit will be 1,557 square feet with two, two-car garages proposed. Planning Commission approval for a Coastal Development Permit and a Tentative Subdivision Map is requested.)

(An informal site visit was requested by board members.)

# (COMMENTS ONLY; PROJECT REQUIRES ENVIRONMENTAL ASSESSMENT AND PLANNING COMMISSION APPROVAL FOR A COASTAL DEVELOPMENT PERMIT.)

(4:46)

Karl Eberhard, Architect; and Shawn Dirksen, Owner; present.

Public comment opened at 4:48p.m.

John Beardsmore, neighbor, stated that he walked through the neighborhood and noticed that most of the houses are two stories in nature. Mr. Beadsmore believes that the contour of most of the buildings in the neighborhood work with the slope of the hill.

Bob McKinley, neighbor, stated that the size, scope and scale is too large. The project does not appear to be a single family residence as it should be. Mr. McKinley is also concerned that there will not be enough parking.

Public comment closed at 4:53p.m.

Motion: Continued one week with the following comments: 1) The Board appreciates that the

> neighborhood is a large scaled neighborhood with mostly two story structures, however, a three story building is out of character in size. 2) Although the project lot is small, the Board recommends a two story building, as it would be consistent with the neighborhood.

5. 308 PALM AVE M-1 Zone

> Assessor's Parcel Number: 031-342-009 **Application Number:** MST2004-00862

Owner: Java & Erin Lozano Applicant: Hfp Architects

(Proposal to construct a 1,049 square foot addition to an existing 1,904 square foot commercial building. Proposal will also minor landscaping, a new fence, new plant areas and repaving of the existing parking area to include six parking spaces. A Development Plan Approval is requested to allocate the square footage for the non-residential addition.)

# (PROJECT REQUIRES DEVELOPMENT PLAN APPROVAL FINDINGS.)

(4:58)

Jaya Lozano; Owner and Joe Ewing, Architect; present.

Motion:

Continued indefinitely with the following comments: 1) The architecture is acceptable. 2) Restudy the roof drain scupper design on the south elevation by eliminating them or by enhancing the architecture. 3) Verify that the proposed windows on the north and east property lines are allowable by the Building and Safety Division and do not have any code restrictions. If they are not allowed, provide other architectural detail. 4) The Board is not in favor of false plaster recesses that look like windows. 5) The Board does not support the protrusion of the plaster parapet wall to create signage. 6) Improve the planter strips with more landscaping. 7) Contact the City Arborist to determine if trees can be planted. 8) Investigate if off-site drainage is allowed. The following comments are carried forward from the prior motion: 9) The Board is concerned with the site screening as proposed. The high visibility of the storage bins and equipment need better screening than the proposed six-foot high chain link fence. Provide a solid plaster wall to hide the use. 10) The off ramp is a gateway to the City and the quality of the project is a significant concern to the Board.

# 6. **2528 ORELLA ST** R-3 Zone

Assessor's Parcel Number: 025-022-022 Application Number: MST2004-00760

Owner: Laird & Lenis Riffle Applicant: Eric Swenumson

(Proposal to demolish a 314 square foot garage and construct a two-story 899 square foot residential unit, a two-story 1,102 square foot residential unit, an attached 241 square foot one car garage and four uncovered parking spaces on a 6,440 square foot lot with an existing one-story 945 square foot residential unit. The project will result in three residential units totaling 2,946 square feet with one covered parking space and four uncovered parking spaces.)

# (Second Concept Review.)

(5:25)

Stan Riffle, Architect, present.

Motion: Continued indefinitely with the following comments: 1) The Board does not support the

one car garage. 2) Using the public alley to provide access to parking is appropriate.

3) The Board is concerned with the second story massing and the amount of unused square footage. 4) Consider altering the program to reduce the required parking if

possible.

Action: LeCron/Bartlett, 5/0/0.

#### 8. **1303 FERRELO RD - LOT 28**

E-1 Zone

Assessor's Parcel Number: 029-271-028 Application Number: MST2005-00082

Owner: Robert A. Josey Applicant: Kevin Goodwin

(Proposal to construct a 3,493 square foot, three-story (multi-level) residence with an attached 599 square foot garage on a 27,280 square foot vacant lot. The project includes approximately 300 cubic yards of grading to be balanced cut and fill on the site. A Modification is requested to allow encroachment into the front yard setback.)

# (COMMENTS ONLY; PROJECT REQUIRES ENVIRONMENTAL ASSESSMENT, NEIGHBORHOOD PRESERVATION ORDINANCE FINDINGS, AND A MODIFICATION.)

(6:22)

Kevin Goodwin, Applicant; Corey Goodwin, Designer; and John Thyne, Attorney; present.

Public comment opened at 6:32p.m.

Brian Hershkowitz, property owner, read a letter which he submitted which addresses subsequent concerns to his previous letter dated March 7, 2005. There are three additional areas of concern. The first is a loss of privacy, as one of his bedrooms will be directly in the view of the project's windows. The second is that the natural grade does not accurately represent the existing grade of the lot. Mr. Hershkowitz would like to see a soils report. Lastly, the redesign is larger in square footage and is not proportional nor is it compatible with the neighborhood.

Chair Pierron read a letter submitted from Virginia Ramsey, property owner, which stated that she opposes the project because of the impact it will have on her property. The revised plans do not reflect the adverse consequences of the adjacent properties. Ms. Ramsey also made reference that escrow was to close on March 17, 2005, but did not occur, subsequently Mr. Goodwin is not yet the legal owner of the property.

Miranda Field, neighbor, stated that the project is too large for the neighborhood. Her primary concern is how the large amounts of dirt would be moved without having an impact on the canyon.

Jeff Vinion, neighbor, stated that the project is too large for the neighborhood and he is concerned with how the large amounts of dirt would be moved without having an impact on the canyon.

Charles Boss, neighbor, stated that the project is too large for the neighborhood and that the neighborhood consists of smaller buildings. Mr. Boss would like to see view poles placed on the property and has requested to be placed on the project's mailing list to receive further notification of scheduled meetings.

Robert Gleason, neighbor, stated that he did not receive notice of the meeting.

John Hutchings, neighbor, stated that the project still appears too large and that the mass, bulk and scale is not compatible with the neighborhood. In addition, the project does not meet the guidelines of the Neighborhood Preservation Ordinance.

Public comment closed at 6:44p.m.

Motion:

Continued indefinitely with the following comments: 1) The Board appreciates the reduction of the project; however the square footage appears excessive. 2) The architecture includes significant under story volume that adds to the size, bulk and scale. Reduce or eliminate all under story volume. 3) The Board finds the apparent size, bulk and scale is inconsistent with the neighborhood and is concerned with the south downhill elevation. 4) The Board would like to see a building redesign that responds to the existing topography. 5) Suggestions include breaking down the scale of the architecture to help reduce the size, bulk and scale. 6) The Board could support the front yard modification if used to the advantage of the architecture. 7) The Board encourages a significant front yard encroachment of the garage. The intent is to allow for a significant stepping down and a modulation of the architecture. 8) The Board understands and supports the desires of deck space, yet feels the decks are adding to the size, bulk and scale on the south elevation. 9) Some Board members are concerned that the rotunda adds unnecessary size to the proposal. 10) Study the driveway to reduce the amount of fill. 11) The Board will be requesting story poles upon further review of the project.

Action: Bartlett/LeCron, 5/0/0.

Motion: Item G, 716 Juanita Avenue, from the Consent Calendar was referred to the Full Board

and will be heard in place of Item 12.

Action: LeCron/Wienke, 5/0/0.

Devon Lazarus, Owner, present.

Motion: Continued indefinitely back to the Consent Calendar with the following comments:

1) The Board is comfortable with a ridge skylight solution providing it is of high quality to the architecture. Suggestions are to make the intermediary break ups of the skylight more pronounced and trimmed with wood or bronzed aluminum. Individual skylights would not be acceptable unless trimmed out to express architecture of the home.

2) Provide complete details of all connections.

Action: LeCron/Wienke, 5/0/0.
